II. SCOPE OF WORK

1. The State will:

- a. Provide to State standards design plans, specifications and such other documents and services required for construction bidding and construction of the Project. Incorporate or resolve FMIT and County review comments
- b. Call for bids and award one or more construction contracts for the Project. Administer same and make all payments to the contractor(s). Confer with the FMIT and the County on any Project related contract modifications and be responsible for its proportionate share of same. Be responsible for any contractor claims for extra compensation attributable to the State.
- c. Upon award of the construction contract, invoice the FMIT and the County for their twenty five percent (25%) share of the cost for the signal portions of the Project plus, the side-road widening at King Street and Laguna Road, in amounts estimated at \$177,000.00 for the FMIT and \$184,000.00 for the County, shown on Exhibit A, attached hereto and made a part hereof.
- d. Be responsible for fifty percent (50%) of the cost of the signal portions of the Project (only) at King Street and Laguna Road and one hundred percent (100%) of the northbound right turn lane at Laguna Road, (with District Minor funds, Item No. 73302), an amount estimated at \$289,000.00, as shown on Exhibit A.
- e Acquire right of way from private property owner on the Southwest corner of Laguna Road and SR 95 in the name of County.
- f. Upon completion, approve and accept the Project on behalf of the parties hereto and provide maintenance to the signals.

2. The FMIT will:

- a Review the Project design documents and provide comments.
- b. Upon award of the construction contact and within thirty (30) days after receipt of an invoice, remit to the State an initial payment of \$100,000.00 for the FMIT's 25% share of the cost for the signal portions of the Project and 100% of the cost for side-road widening at King Street (east leg) and Laguna Road (west leg), an amount estimated at \$177,000.00. In addition, be responsible for its proportionate share of any Project cost increases, and for any contractor claims for extra compensation attributable to the FMIT. On October 1, 2003 remit to the State the final payment for the FMIT share of the project cost.
- c. Upon completion and acceptance of the Project by the State, provide electrical energy to operate the signal at Laguna Road, all at FMIT expense and grant the State the perpetual right-of-entry to maintain the signal and ancillary equipment.
- d. Provide the right of way necessary on the Northwest and Southeast corners of Laguna Road and SR 95, by easement to the County.
- e. Provide a temporary construction easement (TCE) for construction of the Project or grant the State, its employees and contractors, right of entry onto FMIT right of way, to proceed with construction, until such time the transfer of right of way referenced in II 2 d is achieved.

3. The County will:

- a. Review the Project design documents and provide comments.
- b. Upon award of the construction contract and within 30 days after receipt of an invoice, remit to the State the County's 25% share of the cost for the signal portions of the Project and 100% of the cost for the side-road widening at King Street (west leg) and Laguna Road (east leg), in an amount estimated at \$184,000.00. In addition, be responsible for its proportionate share of any Project cost increases, and for any contractor claims for extra compensation attributable to the County.
- c. Upon completion and acceptance of the Project by the State, provide electrical energy to operate the signal at King Street, all at County expense, and grant the State the perpetual right-of-entry to maintain the signal and ancillary equipment.
- d. Accept into the County system, all right of way from FMIT for the Northwest corner of Laguna Road at SR95 and provide maintenance upon completion of the Project.
- e. Provide a TCE for construction of the Project or grant the State, its employees and contractors, right of entry onto County right of way, to proceed with construction, until such time the transfer of right of way referenced in II.3.d. is achieved.

III. MISCELLANEOUS PROVISIONS

- 1. This agreement shall remain in force and effect until completion of said Project and reimbursements; provided, however, that this agreement, except any provisions herein for maintenance and electrical energy, which shall be perpetual, may be cancelled at any time prior to the award of a construction contract, upon thirty (30) days written notice to the other party.
 - 2. This agreement shall become effective upon filing with the Secretary of State.
 - 3. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.
 - 4. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.
- As to the County, in the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518. As to the FMIT, applicable laws of the State, Federal and Tribal government shall govern the rights of the parties with respect to the performance of this agreement. The parties hereto shall select a process for the resolution of claims or disputes relating to this agreement, compliant with applicable laws and regulations of the State, Federal and Tribal government, and acceptable to the State and the Tribe. Such process shall include a provision for arbitration.
- 6. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
